The Primary Health Care Clinic at Hôtel-Dieu de France

The Primary Health Care Clinic at Hôtel-Dieu de France affiliated with the National Primary Health Care Network of the Ministry of Public Health

The Primary Health Care Clinic at HDF covers all essential health needs for every family member and all age groups.

The Clinic offers various medical services with a psychological and human-centered approach for parents and their children through comprehensive therapeutic and preventive care as well as consultations with doctors in different specialties.

The Clinic serves all families across Lebanon equally. Its goals are to reduce the high cost of high-quality medical care while providing reliable medical services.

Services offered include:

- Management of chronic diseases (diabetes, hypertension, asthma, pulmonary obstruction)
- Treatment of acute medical issues (fever, abdominal pain, joint pain, cough, etc.)
- Disease prevention and health promotion (vaccinations and healthy lifestyle guidance)
- Women's health care (routine check-ups)
- Adolescent medicine
- Adult medicine
- Geriatric medicine
- Rheumatology, dermatology, ENT (ear, nose, throat), and ophthalmology
- Mental health care

The clinic is open Monday to Friday, from 8:00 AM to 4:00 PM.
